Second Language Literacy Learning Connection, LLC Approved Continuing Education (CE) Provider Recognition- Connecticut Dept of Education

CT Dept of Education Approved CE Provider Status Demonstrates Commitment to High-Quality CE Programming for Educators

July 13, 2011 – The Connecticut Department of Education has approved SLLLC as an Approved Continuing Education (CE) Provider. Connecticut Department of Education Approved CE Providers are the only organizations approved to offer continuing education courses for educators for Connecticut Department of Education credits.

In order to achieve Connecticut Approved CE Provider status, Second Language Literacy Learning Connection, LLC completed a rigorous application process and successfully demonstrated adherence to the Connecticut Department of Education standards that focus on the design, development, administration, and evaluation of its continuing education courses offered for educators. Second Language Literacy and Learning Connection, LLC agreed to comply with Connecticut standards and can promote their organization and courses using the Connecticut CE logo on promotional course material. In addition, SLLLC is listed on the Connecticut Approved CE Provider list and their courses that meet Connecticut department of Ed standards appear on slllc.org.

Deborah Chitester, MS CCC SLP, CEO of Second Language Literacy Learning Connection stated, "Our approval as an Ct Department of Education Approved CE Provider demonstrates our strong commitment to meeting high standards in professional development when we offer CE courses for educators. We are proud to be recognized by Connecticut Department of Education and pleased to be one of the elite group of organizations that meets these high standards for offering exemplary continuing education courses.
