Approved Continuing Education (CE) Provider Recognition-AOTA

AOTA Approved CE Provider Status Demonstrates Commitment to High-Quality CE Programming for Occupational Therapists

March 15, 2011 – The Continuing Education Unit (CEU) of the American Occupational Therapy Association (AOTA) has approved SLLLC as an AOTA Approved Continuing Education (CE) Provider. AOTA Approved CE Providers are the only organizations approved to offer continuing education courses for occupational therapists for AOTA Continuing Education Units (CEUs).

In order to achieve AOTA Approved CE Provider status, Second Language Literacy Learning Connection, LLC completed a rigorous application process and successfully demonstrated adherence to the AOTA Continuing Education Board standards that focus on the design, development, administration, and evaluation of its continuing education courses offered for occupational therapists. Second Language Literacy and Learning Connection, LLC agreed to comply with AOTA standards and can promote their organization and courses using the AOTA CE logo on promotional course material. In addition, SLLLC is listed on the AOTA Approved CE Provider list and their courses that meet AOTA standards appear in the AOTA CE Course Search on the ASHA website at aota.org

Deborah Chitester, MS CCC SLP, CEO of Second Language Literacy Learning Connection stated, "Our approval as an AOTA Approved CE Provider demonstrates our strong commitment to meeting AOTA's standards when we offer CE courses for occupational therapists. We are proud to be recognized by such a prestigious organization as AOTA and pleased to be one of the elite group of organizations that meets AOTA standards for offering exemplary continuing education courses."
